GEDA BL 2000 P

Wherever heavy loads have to be transported to great heights, the new GEDA BL 2000 P ensures the required efficiency in the industry. With a load capacity of 2000 kg or 23 persons and a max. lifting speed of 40 m/min, this permanent passenger and material hoist is the new powerhouse from GEDA. The fixed platform size of 3.20 x 1.45 x 2.10 m also allows transport of bulky goods up to a height of 250 m. For added comfort and operating convenience, the hoist is equipped with comprehensive state-of-the-art control variants.

The GEDA BL 2000 P is perfectly tailored to the requirements in rough industrial environments. Maintenance and repair work can be conducted efficiently with the permanent passenger and material hoist.
